WORKING TOGETHER

Man has been an individual since the beginning of time but he has found, that by working together with his fellow man, more and finer things can be accomplished. Today, in our modern integrated society, we find that we are dependent upon those about us and they in turn rely upon us. We, who are about to take our place in that society, are the ones who will govern its future. We realize the benefits of working together. We know that only through common cooperation will we be able to advance this society toward its ultimate good. These thoughts are of such importance that we have made them the theme of our Yearbook.

DEDICATION

TO OUR PARENTS . . .

We dedicate this Yearbook to our parents. We are grateful for the care, the understanding, and the devotion which they have unselfishly given us. We shall strive to prove ever worthy of their faith.

CLASS WILL

We, the graduating Class of January 1953, knowing that the end is near and that we will soon be interred in the grave of graduation, declare this to be our last will and testament. To see that no bequest is overlooked, we appoint Miss McMenamin and Mr. Gouss as executors.

To the Science Department we leave a complete "mad scientist kit" consisting of "H" bombs to start the day off with a bang, a set of dissecting instruments for use on unmanageable students, an assorted variety of stains and smells, and fiendish laughter to be used when giving out "F's".

To the Mathematics Department we leave a complete set of instructions on how to prevent dizziness when studying circles, and a pin-up picture of Marilyn Monroe for the study of figures and curves.

To Mr. Strassberg—our daily "cutters".

To Miss Kaufman—a "Fred Astaire" to assist her in dancing the Tango.

To Mr. Schleicher—a new pointer and a package of eye glass cleaners.

To Miss Sullivan—a book of current jokes to brush up on.

To Miss Gordon—a "Samson" to help with the books.

To Mr. Lundie—A Chorister group that doesn't chew gum.

To Mr. Heiges and Mr. Rienzi—a new adding machine to assist in the total up process. Also, a sincere "Thank you" for taking care of our finances.

To Mr. Melito—a "Buck Rogers" laboratory of electronic devices.

To Mr. Warrick—the hope that future homerooms will be as good as our "115" was.

To Mr. Strahan—either enough Electricity classes to fill your schedule, or Algebra wizards to fill your Math classes.

To Miss Devonald—our appreciation. You are a very understanding counselor.

To Miss Hough—a vote of thanks, especially for directing our Class Day activities.

To Mr. Bauer, Miss Boutillier, Dr. Goldstein, Miss Kaufman, Mr. Lundie, and Mr. Rittenband—our gratitude. We appreciate your help in preparing for graduation.

To Mrs. Litch and Mr. Petitti—a successful 4A term, with 100% cooperation from the Class of June 1953, no financial worries and no Yearbook headaches.

To the Freshmen—a warning to avoid that deadly disease called EDUCATION which seems contagious around Central.

To the entire student body—our school building, with the stipulation that you give it the care it deserves.

With our final gasping breath, we wish to thank the Faculty for inspiration and help. You have won another class. You have succeeded in stuffing some knowledge into our skulls, despite our efforts to resist.

As the sun sinks in the west, and our four years in high school end, we bid farewell to dear old Central. We shall cherish happy memories of school.

Being of sound mind and body, we, the officers of the Class of January 1953, inscribe our names as witnesses of this official will.

SPORTS

Our athletes learned something of value equal to scholastic knowledge. They have worked together as a team and because of this are well fitted for citizenship in that greater team which comprises America.

FOOTBALL

Ralph Lilore
Co-Captain

Joseph Ruggiero
Co-Captain

The 1952 football season was a great success. We captured the coveted City League Title, and produced one of the best defensive teams in the country. We were scored upon twice in City League competition and on both occasions the touchdown came via the air route. We held East Side to only sixty-seven yards on the ground and allowed a net zero rushing average to West Side. The Weequahic game was purely a defensive one with Central coming out on top, 7 to 0 in contrast to the South Side game which was one-sided affair, the Blue Devils handing the Streaks a 30 to 0 trouncing. The Barringer game was fought on close terms the first half, but Central's superior offense broke loose in the second racking up twenty-one points while allowing a big goose egg for the Dark Blue.

Outside of City League competition, we weren't so fortunate, winning decisively over Thomas Jefferson 26 to 6, and Nutley, 25 to 7, while losing a very close one to Kearny, 6 to 0, and bowing to Bloomfield, 24 to 0. However, the latter score is not indicative of the closeness of the game. The Bengals scored their last three touchdowns with six minutes of play remaining in the fourth period. Before that the game was fought on even terms.

Central won its last City League title in 1949 and was expected to repeat in '50. But the team just didn't click, so Mr. Comissa started to build for the following year with such promising sophomores as Lou Albanese, Jerry Bruno, Fred Ciavarro, Tony Fabiano, Tony Genakos, Ralph Lilore and Joe Ruggiero. His patience, diligence, and coaching skill paid off for now, in 1952, Central has won another City League title and produced an All-State tackle, Ralph Lilore, two All-County linemen, Jerry Bruno at guard, Herb Friday at center, and one backfield man, Fred Ciavarro.

Fred Ciavarro "29"

Our all-city backfield candidate, Fred Ciavarro, played two years of varsity ball. He was fast and shifty and out-maneuvered opposing defenses countless times. He was an excellent runner, and also a good defensive halfback. His performance of brilliant plays was an important factor in the success of the squad.

Anthony Genakos "22"

Tony was a member of the varsity for two years. Although he did not see too much offensive work, he excelled on defense. His brilliant defensive play against Weequahic was one of the main contributions towards winning the game, which eventually led to the City League title. He was always a hard worker during practice, and showed his worth on Saturdays.

SENIOR STARS

Leonard Aiello "32"

Leonard waited until his Senior year to come out for the team. Although he did not see much action, he was always ready when called upon. His forte was offensive play. In this he followed in the footsteps of his brother, Gus, Central '49.

Anthony Fabiano "18"

"Fab" earned a varsity uniform as a Sophomore. In addition to his work as a smart quarterback, he was also an excellent ball handler off the T formation. His loud, bellowing voice helped give the team the moral support needed to go on to win the coveted City League Championship.

Joseph Ruggiero "19"

Joe was co-captain throughout the 1952 season and was the hard luck guy of the team. During the second week of practice he dislocated his shoulder, but he was ready to play the Nutley game. In that game Joe suffered a torn cartilage and did not see action until the Weequahic game.

His appearance there was very timely, for he scored the only touchdown in the game, giving Central a City League title. Joe has played three years on Mr. Comissa's varsity and promised to be one of the best backs in the county until his injury.

SENIOR STARS

Ralph Lilore "39"

Ralph played for Central for three years and promised to be a great lineman. However, he sustained a knee injury which kept him out of action until late in his Junior year. Ralph was elected co-captain during the 1952 season, and had the honor of being an ALL-CITY candidate at tackle. He played both offense and defense. His line-backing was regarded as the heart of the air-tight Central line, and his fierce, hard play gave the squad the incentive it needed to capture the City League title.

Richard Wittek "23"

Dick did not come out for the team until his Junior year. He did not see varsity action until 1952. Although he was an excellent passer and blocker, Dick saw limited action on offense. His good defensive work was used in backing up a stalwart Central line. As one of the comedians of the squad, he provided the boys with a big moral lift.

Angelo Tursi "21"

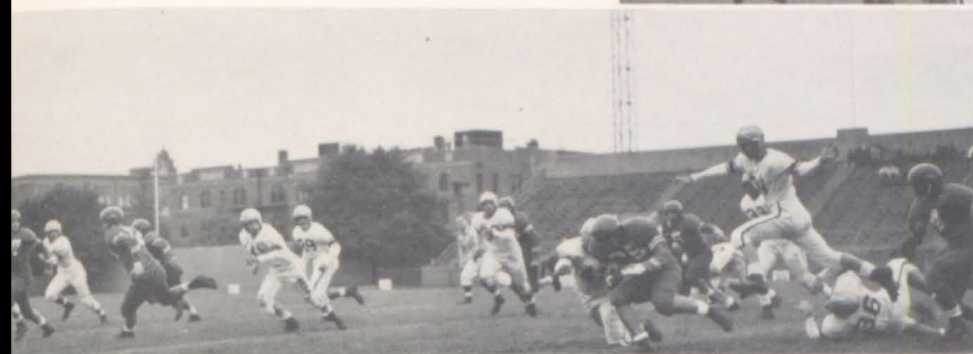

Angelo served Central for two years as an end. Although he played some defense, offense was his strongest playing point. He was a very good blocker and a pass thrown to him was as good as caught. A real hustler, he was always ready when Mr. Comissa called upon him.

League Team With Five Players

BASKETBALL

Leroy Attles

Leroy did not play varsity basketball until his senior year. When he came out for the squad in '51, he was crude, awkward, and unsure of himself. A year of seasoning on the JV's gave him poise, gracefulness, and confidence. He was the possessor of an accurate one-hander, and could jump with the best of them.

The basketball teams of 1951 and 1952 were very successful. The '51 team was undefeated in City League competition and lost only three of its nineteen game schedule, those being Orange, Seton Hall, and Kearny. In the county tournament, we reached the semi-finals, losing to Belleville in a nip and tuck battle.

The '52 team was a little less impressive, winning twelve games and losing five, while annexing our fourth consecutive City League title. We were eliminated in post-season tournaments in the early rounds as our team never clicked to fulfill its early promise. Mr. Fleischman, our able coach, has great hopes for this year.

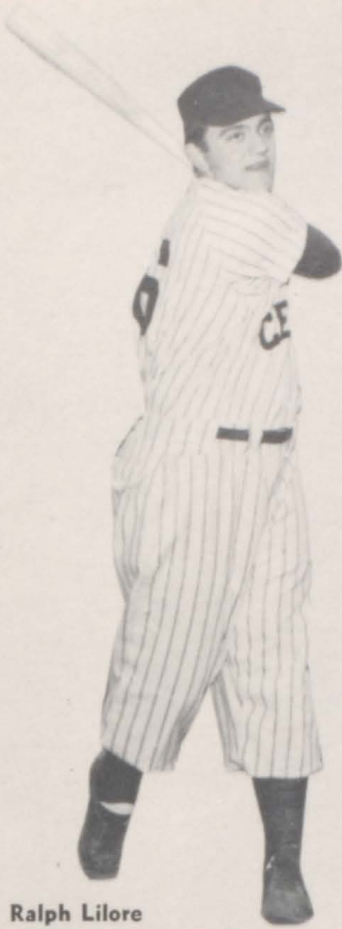

Linzo Jenkins

Because his scholastic eligibility had elapsed, Linzo did not play in his senior year. However, he certainly played like a house afire in '51, thereby gaining a berth on the All-City team. Linzo was versatile, shooting from outside or from underneath. He was a fine ball handler, had excellent timing and coordination, and he jumped as though he had rubber legs. Above all he was a good sportsman. These qualities made Linzo a mainstay of the team.

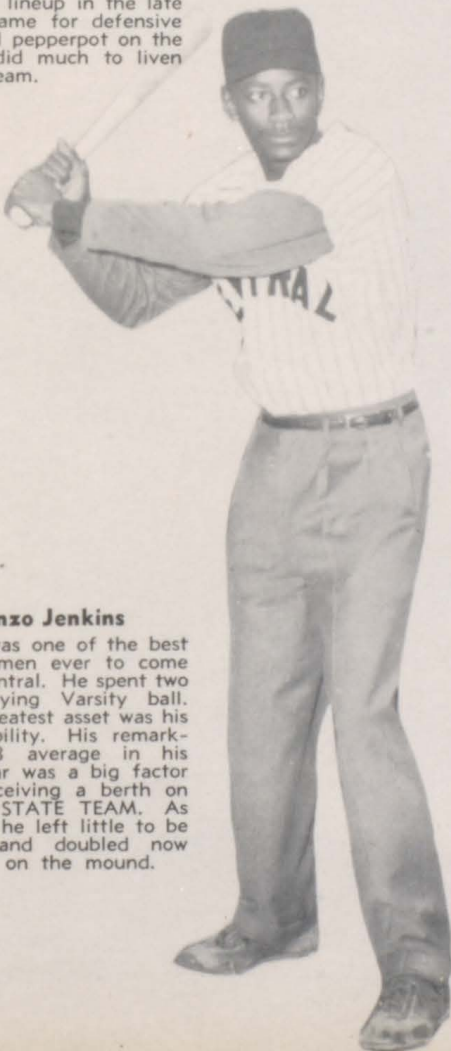

Sol Fleischman
Coach

BASEBALL

Ralph Lilore

Although Ralph did not see too much action in his two years of Varsity ball, he was always ready to give the squad a moral lift. He was a fair hitter, but his forte was fielding. Mr. Reilly would frequently insert Ralph in the lineup in the late innings of the game for defensive purposes. A real peppercorn on the diamond, Ralph did much to liven the spirit of the team.

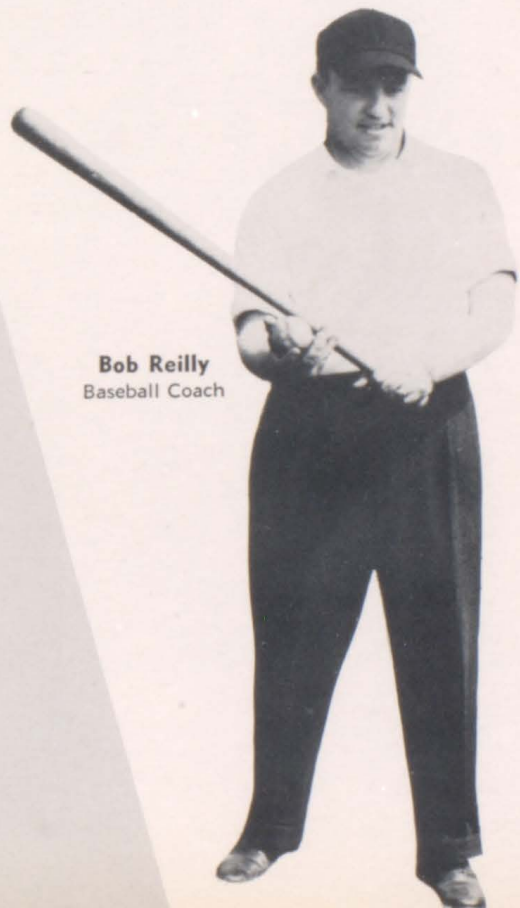

Linzo Jenkins

Linzo was one of the best first basemen ever to come out of Central. He spent two years playing Varsity ball. Linzo's greatest asset was his hitting ability. His remarkable .478 average in his junior year was a big factor in his receiving a berth on the ALL STATE TEAM. As a fielder, he left little to be desired, and doubled now and then on the mound.

After the 1950 season, the year that Mr. Reilly began his building-up of promising sophomores, it was expected that Central would win the City League crown. We didn't, and a look at the statistics would make you wonder why. Out of a twenty-four schedule we won sixteen, beating such formidable opponents as Bloomfield and Hillside. We defeated South Side, city champs twice, but in turn lost twice to Barringer, which proved to be our downfall. In 1952 we were expected to be one of the state's powerhouses. We were banking on such stars as Jerry Paradiso, Lou Albanese, Herb Benner and Leon Walker, all of whom were All-County men in '51. To substantiate our beliefs we did have a very good year, including an 8-3 victory over Montclair, but we fell just short of the City League Crown.

For the coming 1953 season Mr. Reilly has a host of veterans, including Leon Walker, Frank Christiano, Bob Wolforth and All-City baseman, Don Jaquin.

Bob Reilly
Baseball Coach

SWIMMING

Central's 1952 swimming team had a fair year, placing third in the City. However, we seemed to be the hard luck team of the City League, losing three very close meets to Arts High, Weequahic, and South Side. Mike D'Antuono and Walter Traill were the mainstays of a young and inexperienced team and led the rest of the squad in points.

Robert Reilly
Coach

Walter Traill

Walter's specialty was the back stroke, although he could hold his own in the free style or medley. He was another of Mr. Reilly's two-year men, and his experience came through in the Arts High meet, when he placed second in his specialty.

Michael D'Antuono

Although he was an ace in the free style, Mike seemed to shine more in the medley relay. He placed first in two important city meets—East Side and Weequahic; also chalked up a first in the Arts High relays. Mike was one of the best 40 yard free-stylers on the team.

BOWLING

Anthony Fabiano

Fab spent two years bowling for Mr. Benedon's crew. His 165 average was an important factor in Central's winning the City League Crown in 1951. He started off the '52 season against Weequahic with a bang, bowling 198 and 206, and shows great promise of developing into a star bowler in the future.

Central's bowling team, striving to keep up with the basketball team, also captured the City League crown in 1951. They were undefeated in league competition, due mainly to the efforts of Tony Fabiano and John Dawson. In '52 the outlook was bright with Fabiano and other veterans returning. The squad was quick to show its prowess in winning the first two meets decisively.

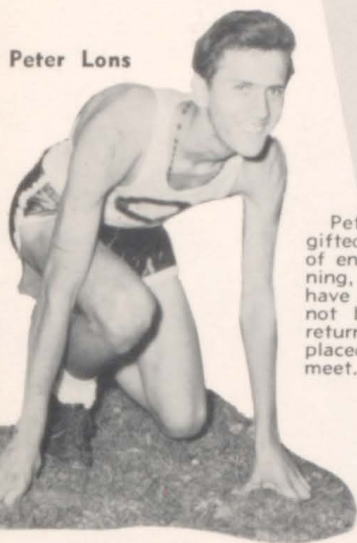

TRACK

On Your Mark!

Peter Lons

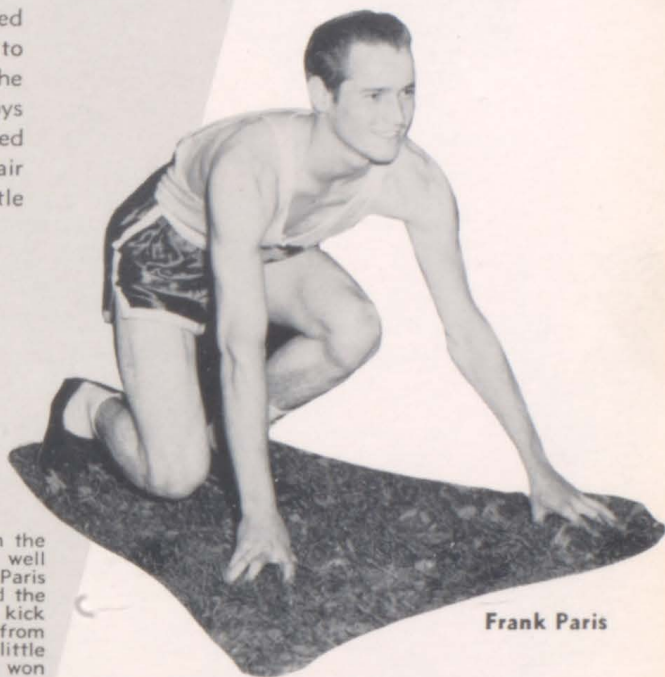

In 1951 the track team did not win a meet, but their hard running showed their will to win, and they promised to be a definite threat in 1952. By the time the '52 season came, the boys had gained in experience. They lived up to all expectations, producing a fair year, and giving every team a battle right down to the wire.

Peter Lons

Pete was one of those runners gifted with an immeasurable amount of endurance. Once he started running, he hated to stop. He would have been a three year man had it not been for illness in '51. He returned in 1952 rarin' to go, and placed ninth in an important city meet.

Frank Paris

Frank spent only one year on the team, but he made sure it was well known. Everybody knew when Paris was running because just toward the end of a race he let loose a kick that sent him out like a shot from a cannon. Had he possessed a little more endurance, he would have won many a meet for Central.

Frank Paris

Our cross-country team was not as successful in 1952 as it had been in the 1951 season. However, most of the meets that were lost were close. The outlook for the coming season seems bright. Mr. Fleischman has a crop of good, sturdy runners, and many of them are experienced.

MODERATO

The musical score is written on a grand staff with a treble and bass clef. The key signature has one sharp (F#) and the time signature is common time (C). The tempo is marked 'MODERATO'. The lyrics are written below the notes, with some words in all caps and some in title case. The score is divided into systems, each with a piano part and a vocal part. The lyrics are: 'HIGH A-BOVE THE BU-SY CI-TY, FAR BE-YOND ALL TOUCH OF ILL, SITS EN-THRONED OUR AL-MA MA-TER OUR DEAR LADY IS ON THE HILL. LET THE CHO-RUS, SEND IT SWELL-ING, WITH A LEAL AND LOY-AL WILL, AND OUR BOUN-TY BE THE BEAU-TY OF OUR LADY ON THE HILL.'

HIGH A-BOVE THE BU-SY CI-TY,
FAR BE-YOND ALL TOUCH OF ILL, SITS EN-THRONED OUR AL-MA MA-TER
OUR DEAR LADY IS ON THE HILL. LET THE CHO-RUS, SEND IT
SWELL-ING, WITH A LEAL AND LOY-AL WILL, AND OUR BOUN-TY
BE THE BEAU-TY OF OUR LADY ON THE HILL.
